NOTICE

This request is not to be construed as a data purchase. CHIA incurs a significant cost in the preparation of data sets. The above charges represent a partial recovery of these costs enabling CHIA to distribute data. An approved Limited Data Set Use Agreement (LDSUA) authorizes the user to utilize the data for public health purposes. As prescribed in the LDSUA, this right can be revoked if the terms of the agreement are breached.

Orders will normally be filled on the same day we receive them. Email or call to determine order status. Data will be sent on CD by Federal Express. The files will be sent in the format requested above. Files will be sent with supporting documentation (formats, field definitions).

Requests cannot be filled unless we have a signed [Limited Data Set Use Agreement](#) on file.
